STRATEGY WITH PERSPECTIVE.

MIAMI, FL ↗

01 / HOW I HELP

Clarity at the top. Momentum on the ground.

An experienced partner who understands the business, gets into the details, and helps move the work forward.

01

Commerce strategy

Find the opportunities that matter. Align your digital roadmap, priorities, and investment with your business goals.

02

Platforms & technology

Navigate replatforming, integrations, product data, and vendor decisions with a clear path from selection to launch.

03

Experience & growth

Connect customer experience, site performance, analytics, and conversion to make shopping easier and your business stronger.

04

Leadership & delivery

Bring business and technical teams together. Translate the strategy, establish priorities, and guide execution.

BRAD FABIAN

YOUR PARTNER, FROM DAY ONE.

02 / YOUR PARTNER

Strategy is personal. So is the work.

My career has taken me from web development to leading e-commerce. That means I'm comfortable talking business with leadership and working through the details with engineers.

I bring experience across retail commerce, enterprise replatforming, product information, customer experience, and digital operations. When we work together, you work directly with me.
